About This Game

Jailbreak Craft

Get to know craft to escape from prison.

You have to play the character Stickman, who was put in jail. Your task is to find two successful ways of escape with the use of crafting.

Kraft should be at every step, so as not to become a victim of guards and dangerous creatures.

In the prison cell you will have a box of chest, which will contain the necessary ingredients for crafting. Use different blocks, weapons and wit to make a successful escape from prison.

Among the monsters you will see zombies, spiders, dragons, wild horses and many other characters and monsters. Also you will see different weapons, among them there will be a sword, a pickaxe, dynamite and more.

The game will encounter various switches, and portals, with which you can travel. Also in the game there are mini games that diversify the whole game process. For example, in one mini-game you have to climb up a large tree, avoiding spines.

In another mini-game you have to work with different blocks to build a solid bridge and pass it.

Put on your boots and play the game under the Russian accordion!
